

Forklift Tarp Spreader

Product Code: BMP064

Use your forklift to reach new heights.

Bremco's Forklift Tarp Spreader safely spreads tarps across loads with this convenient slip-on attachment.

Compatible with most standard Class 2 Fork Truck carriages, the Forklift Tarp Spreader is designed to support the load on either side of the A-frame support, with a 3 meter removable pole that can be stored easily when not in use.

It comes in a powder-coated finish.

We can also custom fabricate a solution to your specific needs.
