

## Goods Cage (Double Pallet)

Product Code: BMP122

### Use your crane to reach new heights.

Bremco's Goods Cage Double Pallet is engineered for use with most overhead crane systems, and can be transported using forklifts or pushed manually.

It features two swing gates, allowing clear access for two standard pallets.

The Goods Cage Double Pallet has four lifting points fully welded into the frame which are designed in accordance with AS4991.

Our goods cage comes with a high quality powder coated finish, is fully Australian made in our local factory, and we offer a 100% money back guarantee on our work.

4-leg chains are an optional extra.
